Once we've established that the cause of the loss or damage is covered under your policy, we'll agree the costs required to complete the repairs or replacement with you.

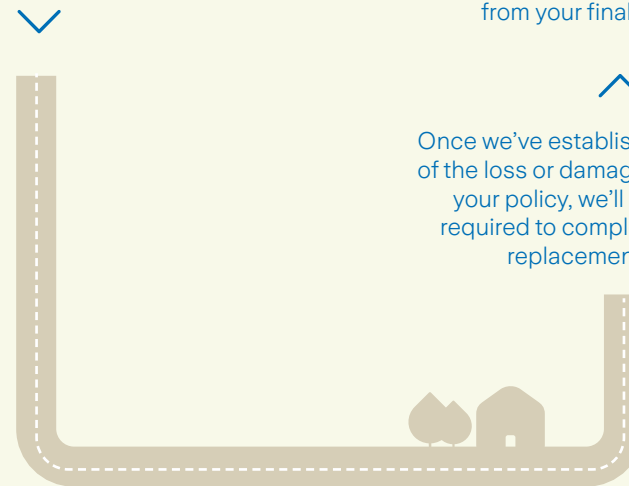

We'll ask you some questions:

 - What's damaged?
 - When did it happen?
- How many rooms are affected?
- If arson is suspected, please provide a Garda Pulse reference number.

If your buildings are insured with us, you will need to provide photographs of the damage, an estimate of costs to repair the damage and confirmation of the cause of damage.

 Please take photos of the damage as it helps later on.
